

THE INNISKILLIN STORY

Known around the world for its award-winning Icewines, Inniskillin has a proud history as one of Canada's first estate wineries.

Donald Ziraldo and Karl Kaiser founded Inniskillin in 1975 with the mission to "create quality wines, using quality grapes grown in the Niagara Peninsula," which have gone on to have a presence in the international wine world. The historic Inniskillin winery is set amongst lush vineyards adjacent to the Niagara River, in Niagara-on-the-Lake, with an

idyllic view of the Niagara Escarpment. Come and experience Inniskillin's fine wines in this picturesque setting for customized culinary events and tastings, year round. We invite you to explore a sense of history and passion that has made Inniskillin one of Canada's premier wineries!

WHAT SETS US APART

Located on the scenic Niagara Parkway, just 20 minutes north of Niagara Falls and 5 minutes south of old town Niagara-on-the-Lake, Inniskillin provides the perfect setting for the appreciation of fine wine and food:

- Our newly renovated Brae Burn Barn, built in the 1920's, provides the ideal backdrop for all of our wine and culinary adventures.
- The Piazza acts as a gathering place that marries the history and tradition of our agricultural roots with our newly designed Founders' Hall.
- The Founders' Hall, a space that once housed our French oak barrels for ageing our wines, provides an exclusive dining forum where guests will enjoy wine inspired culinary experiences with a view of our new Demonstration Kitchen.
- We work with experienced culinary partners who share a common passion for our wine, to create customized culinary events that will immerse your guests in the world of wine.
- "Extreme Canadian Winters allow for Extreme Canadian Winemaking - Icewine." Inniskillin is credited with putting Canadian Icewine on the world map, and our extensive wine library offers some of the oldest vintages of Icewines available in Canada.
